One-Stop Shopping for Your Cannabis Insurance Needs

Total Industry Dedication

We provide one-stop market connections for our agency partners. How? We've spent the last few years building the market connections to provide your client's insurance needs including Bonds, General Liability, Product Liability, Commercial Property, Workers Compensation, Crop (indoor and outdoor), Cargo, Transportation, D&O, EPLI, Cyber, Crime and Professional Liability.

Why Choose PL Risk?

Dedication to the cannabis industry is a must, and PL Risk Advisors has built an entire wholesale insurance division dedicated to helping agents place cannabis related insurance policies. Your agency needs a partner that understands how increased regulations and growing security threats affect your clients – we can help!
